

E-Vision VoIP Setup Guide for Netgear TA612v

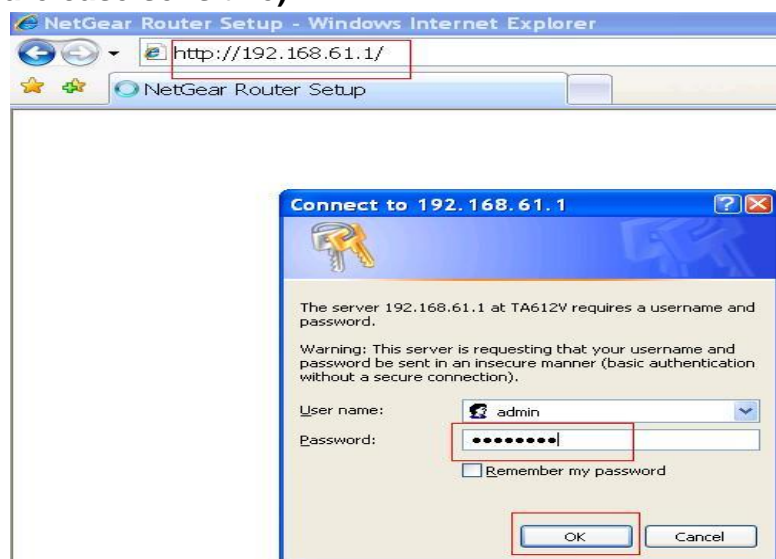

STEP 1: Connect the Netgear Adapter power o as shown

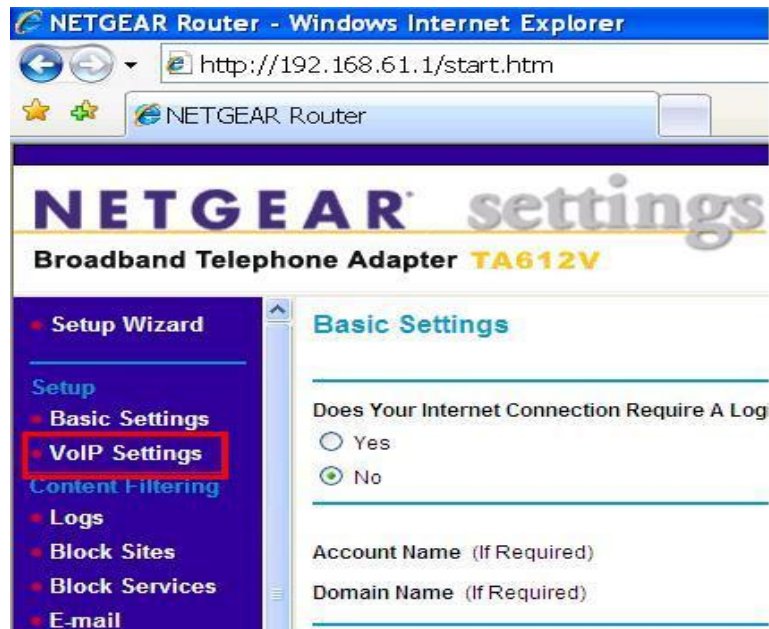

Note: This is recommended setup when you have modem along with router/switch as two different devices .But if you only have a modem your PC should be connected in place of Router/switch

STEP 2:

- Open **Internet Explorer** or any **Web browser**.
- In the address Bar type is **192.168.61.1**
- In the login screen **username :admin (default)** and **password(default)** as password
(Note: passwords are case sensitive)

STEP 3: On the left hand side Click on **VoIP Settings**

STEP 4: Please enter the details as below
